

# MEETING MINUTES

**DATE:** 2025-11-16 @ 2:45 PM EST | **ATTENDEES:** Nathan, Amish, Anish, Fares

## OVERVIEW

Quick update on recent technical changes, including location-based flag display, code refactoring, UI fixes, and improvements to the QR Code screen.

---

## 1. PROGRESS UPDATES

- Nathan:
  - Added location access to show the correct country flag on chest icons.
  - Refactored major sections of the code.
  - Updated navigation to ensure the main view model is passed correctly to screens.
  
- Amish & Anish:
  - Fixed the shadow issue.
  - Updated and corrected the QR Code screen.
