MEETING MINUTES

DATE: 2025-09-28 @ 02:00 PM EDT | LEAD: NATHAN | SCRIBE: AMISH

ATTENDEE (ROLE)

- Nathan (Lead)
- Amish (Scribe)
- Anish
- Zaki
- Fares

TASK DONE : RESPONSIBLE : PROOF

- UML Diagrams drafted in LucidChart during meeting : Everyone : UML on LucidChart

ISSUE : PROPOSED SOLUTION(S)

- Messy Communications (Time Zones, Other Courses, etc.)
    - Proposed: Improve clarity and accountability; avoid confusion through structured updates and standups.
- Meetings running too long
    - Proposed: Redirect excess time into development work; introduce tighter agendas.
- Architecture Uncertainty + Transactions (Backend / Taler Integration)
    - Proposed: Ask Iván for guidance on backend structure; clarify authentication and transaction between different currencies.

TASK TO DO : RESPONSIBLES(S) : DEADLINE

- Draft demo outline (Ppt + Figma) : Amish : Tuesday (before partner meeting)
- Send email regarding Mattermost : Nathan

DECISIONS

- Increase accountability and ensure transparent communication
- Decisions regarding classes, subclasses, and interfaces as outlined in the UML

NEXT MEETING(S)

- **2025-09-30 @ 11:00 AM EDT (With Partners)**
